The Town Clerk was directed to remove this item from future agendas of the Town Board.

2. Walden Pond Park - Federal Assistance Application

On June 3, 1975 the Town Clerk notified Congressman Kemp of this Town Project and asked for his assistance in obtaining Federal Aid.

On August 21, 1975 Mr. A. Russell Tryon, the Town Planning Consultant on this project, requested a status report from the Grant's Manager of the Niagara Frontier Parks Commission.

On October 20 the Town Clerk wrote to Congressman Kemp and requested his support and a status report on this project.

On November 18 and December 5 the Town Clerk contacted Congressman Kemp's Office and spoke to Mr. Edward Rutkowski. Mr. Rutkowski indicated that the Congressman would write to Albany and attempt to effect release of funds for this project.

3. Town Line Speed Reduction

On August 18, 1975 the Town Board adopted a resolution requesting the County of Erie and the Town of Alden to join with them in requesting a survey, and evaluation of the existing 55 m.p.h. speed limit on Town Line Road from Broadway north to the Erie-Lackawanna Railroad.

Mr. Norman Armstrong, 5017 William Street, Lancaster, New York, discussed  
with the Town Board, the Town Engineer, and the Town Highway Superintendent  
a flooding and drainage problem which exists in the William Street-Lake  
Avenue area.

After lengthy discussion it was recommended that the persons  
adversely affected contact Mr. Wolf for some input on the County level  
to alleviate the problem in as much as the roads involved are County  
roads and Councilman Metz agreed that he would again attempt to  
renegotiate an easement with the Schiffler family to drain off the area  
in question which would effect a permanent solution to the problem.

Mr. Edward Skrapski, 28 Katherine Street, Lancaster, New York asked  
the Highway Superintendent if he could clean the sewer in front of his  
home.

The Highway Superintendent said that he would.

Mr. Anthony Vonna, 307 Green Street, Buffalo, New York, asked when  
the Town Board would render their decision on the Morehouse Rezone.

The Supervisor informed Mr. Vonna that their decision should be  
forthcoming at the meeting of January 5, 1976.

Mr. Arthur Varga, 1 Robert Drive, Lancaster, New York, speaking as  
a minority member of the Planning Board, urged the Board to deny the  
Morehouse Rezone.
